**Volume 56, No. 5**  
**Director's Report**

Well, fall is here and we're really in it! We had our Forest Home Farms Tour and our Board of Directors meeting in October (you can read about both in this edition). I was pleased to see William Morrison, a new member, who brought his 1941 120 two-tone green beauty to share at the Forest Home Farms Tour. In addition, Johnny Crowell brought his 1915 Packard 3-38. We're always looking for members to bring out their Packards for all of us to see & enjoy.

October was scary, with floods and fires, capped off with Halloween. What was scary was reading about floods on the East Coast and the unthinkable fires right here in the North Bay. When I hear of such tragedies, I always think of people being saved, their (our animals being saved) and soon thereafter, worrying about classic cars being lost. We still do not have a complete report on our members on how we fared in the fires, but no news seems be good news. The tragedy of the North County fires should not be lost on us. We all need a plan.

Clint Moore, Tour Director has been able to coordinate a veteran's event at the Veteran's Home in Yountville, scheduled for November 11th. A flyer will be circulated to all members for the joint meet with the Freewheelers car club.

December 10<sup>th</sup> is our Holiday Party at Zio Fraedo's in Vallejo. Thank you to Janet Wooldridge for taking on this event. She can still use some help, and we are looking for auction items, as in the past.

We have prided ourselves on having a January Day-at-the-Movies. This year, we'll be gathering at the Silent Movie Museum in Niles (Fremont) on January 10<sup>th</sup>, 2018. Watch for the official flyer. The Board has authorized, as in the past, that any new member, who has not been invited as our guest to our Day-at-the-Movies, to be our guests! Looks like the tour, movie, and lunch will be about \$20 for all others. Phil Sherman has recommended this event and he knows how to pick them.

And, just a reminder, Membership Director, Bill Young, has sent you a 2018 Membership Renewal Form. Please fill this out and return it to Bill. You will note that we are also asking you to vote on our proposed 2018 Board of Directors. You can return that with your dues.

Happy Motoring:

Steve Weir

Well, nobody got the right answer on the photo in the last issue. So here is a photo of the same car that same day. What year and body style is this Packard? Send your ideas to editor, Bud Juneau:

## **Where We've Been** *Forest Home Farms*

On a beautiful clear fall day, 32 members and friends, driving 11 Packards (plus a new roll-out of a 1951 Ford Woodie) came to enjoy each other's company.

We had several "Horseless Carriage" cars including Johnny & Christine Crowell's 1915 3-38 7-passenger touring Packard to view as well.

We visited, had lunch (with lots of cookies being shared), sold numerous calendars, toured the Glass House (Victorian farm house above), and had a ball. We donated \$200 to the Forest Home Farms Foundation and made a presentation of a calendar and gift mug to Carrie Leung who arranged our visit.

The following attended: George & Eddie Beck, Ron & Mary Carpenter + 51 Woodie, Johnny Crowell, Fred & Pam Hill, Jack Holmes & Mike Kumler, Bob & Mary Jane McCoy, Doug, Julie & Clint Moore + Ruth & David Hansen visiting from Ohio, William Morrison (his first event!) Christopher Slater, Kathy & Tim Toland, Steve Weir & John Hemm + Tony Butey, Dave & Janet Wooldridge, Bill Young & Kirby Wiley, Bud Juneau, Ladd & Maggi Stephenson, and Chip & Denise Flor.

Special thanks to Bob McCoy for setting up a wonderful tour!
